RE: Sunshine Law Request

Dear Ms. Farkus:

I am in receipt of your email of February 24, 2019, to the Missouri Department of Revenue in which you request information via Missouri's Sunshine Law. Specifically, you are asking for "records that contain information on how many specialty "Choose Life" license plates were sold from 1997 onwards." I have reached out to our Motor Vehicle Bureau on this issue. First, they have informed me that Missouri did not issue that plate until 2009. Secondly, they informed me that there were no records which would show a total issued since then or by year as the individual plate information is "saved over" when plates are renewed. They did inform me that currently there are 316 "Choose Life" plates in our system. I hope this information is helpful.

Sincerely,

A handwritten signature in black ink, appearing to read "Daniel W. Follett", with a long horizontal flourish extending to the right.
